Dear Frank;

Regret the delay in responding to your letter and the beautifully crafted display case of my rank insignia and military awards and decorations. My wife of almost 50 years was very surprised and was delighted with the display case.

It was nice talking with you last evening and while I wish I could do more for you in payment for your dedication and craftsmanship, I have endorsed a copy of the magazine "The Chiefs" for your library. Hope you find it interesting.

The day following receipt of your package and letter, my wife Dottie and myself left for Dover AFB, Delaware and on to McGuire AFB, New Jersey as I am serving as the Representative on the USAF Military Retiree Council and the Directors of those Retiree Activities Offices at both of the military installations conduct a varied volunteer program to assist military retirees from all branches of the services in the surrounding communities. Like yourself, but in a different way - "Still Serving!"

As soon as I get with the other CMSAFs I will call you and provide the information you requested.

Thanks again Frank and may the Good Lord continue to cast his many blessings upon you and your loved ones.

Sincerely,

A handwritten signature in cursive script, appearing to read "Don L. Harlow".
