

Dear Mr. De Angelis,

6/10/08

I don't know how to thank you for such a lovely gift. Your self-less giving is inspiring. I received your gift just before Mother's Day. That special day a year ago was the last time I spoke to my son. I wanted you to have a face, a picture to go along with the name. Julian was a kind, giving and caring person. You would have liked him.

I visited your website this morning.

It's nice to see your face too. I was especially surprised to click on a link & see his shadow box, that is hanging in my living room!

My heart goes out to you in the loss of your wife Elizabeth, but

*Remembering your kindness*

*with warmth and gratitude.*

I am sure she is with you still in spirit as I am learning that Julian is with me too.

You continue to provide a great service to this country, bringing comfort to grieving families. Thank You So Much,

Meredith
