

Dear Frank,

Thankyou for your work,
Thankyou for the gift. Since Luke
died our house has been a mess -
so hard to put things away, we
think of him every minute.

Your display case has given me
an honorable focal point. I don't
know how you were able to gather
all his patches - we never would
have done this ourselves. It
sits upon our mantle for all to
see. Thankyou.

May God Bless you +
your family.

Thankyou,

Sheila + Gary Yepsen
