

The Family of
Corporal Mark D. Kidd
wishes to thank you
for your

kind expression of sympathy

We are extending our sincere gratitude, and deep appreciation for the genuine outpouring of support and love you during these difficult days. Your thoughts and prayers have inspired us to begin to cope with this great loss of our son Mark.

Faith, Country, and Family were his guiding principles to insure our country will prevail. He was not under any illusion that his true fate would be left to chance. It was

his mission in life to pursue his principles, even if his life was given in the process.

Life was meaning and so does the end of life.
Mark in our lives has fulfilled his dream and has made his accomplishments known to all who have taken notice.

Sincerely

Frank, Matt and Sami Kidd

Semper Fidelis
