Lincroft, New Jersey 07738 d

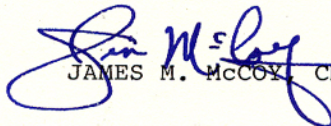

Dear Frank,

I want to let you know once again how pleased I am to receive the award frame from you. As I told you on the telephone, I consider it quite an honor to receive this as a reminder of my past service as a Chief Master Sergeant of the Air Force.

I have discussed with Chief Paul Airey a proposal to have the copies placed in the USAF Heritage Hall at Gunter AFB, AL. I am sure he will be getting in touch with you after he contacts the other CMSAFs.

Again, Frank thank you for this award.  
You truly are one who cares.

Warm regards,

  
JAMES M. MCCOY, CMSAF (Ret)
