

April 23, 1993

Dear Frank -

The shadow box is really great - I appreciate it so much, and so do my kids.

I've got some slides of Hannibal that I am going to have printed up and will send you one for your picture collection.

I will be in Chicago for about ten days and will get the picture printed and on its way to you when I return home. Thanks again.

Sincerely,  
Margaret Cox
