Dear Frank:

I received the most beautiful shadow box, with the arrangement so perfectly done, it was and is awesome.

I assure you I will treasure this as my most treasured possession.

It is outstanding, my Family loves it. You made my Christmas perfect.

I can not thank you enough.

The display is above all my expectations.

I will never forget you. If I can ever assist you let me know. Your spirit and dedication to your country and its servicemen and women will forever be remembered.

I pray that God will continue to bless you for your talent & dedication.

I pray that God will continue to Bless you and fulfill your dreams.

Very Sincerely,

Walter D. Ehlers
