Dear Mr. De Angelis,

I have recently received the beautiful award frame that you sent me. I immediately want to express my most sincere thanks to you.

In my thirty one years of service, I have never seen such a meticulously prepared display. I am deeply honored that you identified me as one of those distinguished servicemembers for which you have chosen to do this fine work. I assure you that it will hang alongside my most cherished military memorabilia.

Once again I extend to you my deepest appreciation.

Sincerely,

E. A. GORDEN
