Dear Mr. De Angelis,

I want to thank you for the beautifully framed display you sent me. I received it shortly after I returned from a lengthy trip to the Western Pacific. I was absolutely stunned to receive such a beautiful gift and have it prominently displayed in my office. I hope I will be able to meet you and thank you in person one day.

I would like to ask you for a couple of photos of yourself to frame. If you have one of yourself in uniform from WWII days and a recent photo I would very much like to borrow them. I will copy them and return the originals and use my copies in an explanatory display which I will hang near the gift you sent so that those who admire it can know what a nice gesture it was and enjoy it even more.

Again, thank you so much for the beautiful gift. It is the nicest Christmas gift I received.

I have sent you a small gift by separate package. If I can ever be of any assistance please don't hesitate to call or write. I will look forward to hearing from you again.

Best regards,

John Hagan
