Dear Mr. De Angelis:

Thank you very much for the plaque you sent me. I know a lot of hard work went into making this beautiful display, and I truly appreciate your kind gesture. Regretfully, however, I must return it because federal laws prohibit me from receiving gifts of such value.

Again, thank you for your thoughtfulness.

*I'm truly sorry but I can't accept but the thought that you would do this means more value to me than any monetary value put on the gift.*

Sincerely,

Dennis J. Reimer
