

Dear Mr. DeAngelis,

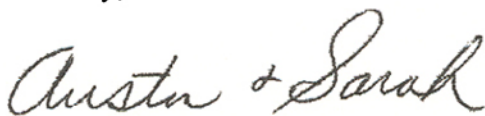

We wish to thank you for the beautiful shadow box made in the memory of our son, Sgt. Alan D. Sherman, U.S.M.C. Our plan is to display it in our home for the present, but will give it to our grandchildren so that it will further enhance their awareness of their Dad's sacrifice for his country.

Although we are very saddened by our son's loss, we are grateful that people such as you will take time and effort to recognize Alan's dedication.

Again, we very much appreciate what you have done to memorialize our son, as well as to all of the other heroes who have died in battle.

May the Lord bless you.

Sincerely,

A handwritten signature in black ink that reads "Austin & Sarah". The script is cursive and elegant, with the names written in a single line.
