Dear Mr. De Angelis:

Thank you very much for your thoughtfulness.

The "plaque" you created and presented to me is truly beautiful. It certainly will be a centerpiece of my personal collection of remembrances, allowing me to reflect with pride and nostalgia upon my career in the U. S. Navy and the many exceptional people with whom I was able to associate. Currently, it is displayed with much satisfaction on my credenza, facing my desk.

Again, thank you! The U. S. Military is fortunate to have such an ardent supporter. Best wishes for a Merry Christmas and happy and healthy holiday season.

Sincerely,

John C. Shick
