Dear Frank,

My wife and I certainly enjoyed meeting you at the Marine Corps Association Scholarship Ball and we deeply appreciate the award you honored me with. You are indeed a great American and your contributions to our country, both in war and peace, are legend. You are indeed "Someone Who Cares" and your country and fellow Americans deeply appreciate your efforts.

May God bless you and your family.

Very respectfully,

T. C. TAYLOR
Colonel, U.S. Marine Corps
