

Dear Mr. De Angelis -

We received the memory box that you created for our son Lt.

Travis Fuller. Your gesture of kindness and sympathy is greatly appreciated.

Travis was like many of our young heroes that we've lost - dutiful, honorable, and dedicated to his fellow Marines. It truly was a revelation to see in our young son the intense and deep love he felt for "his men". That you have known and experienced this is very evident in your actions.

Thank you for your kindness

Sincerely,

Joanne + David Fuller
