Dear Frank:

Thank you so much for the beautifully crafted display case depicting my 32 years of military service in the U. S. Marine Corps. It was so thoughtful of you to honor me in such a warm and personal way.

I enjoyed our conversation and catching up on all those yesteryears. I congratulate you on your success and remember well how hard you labored to achieve that success.

The display case with your "Someone Who Cares" card is in my office for all to see. Thanks again, Frank. Betty joins me in sending warm regards to you and your lovely Elizabeth. We look forward to seeing you both on 5 June 93, hopefully before. An invitation to the Ball is enclosed.

Semper Fidelis,
