Dear Frank:

I have been doing a good amount of traveling since I received the beautiful awards frame from you.

I absolutely think that your gift was the most pleasant surprise gift I have ever received. It is beautifully crafted and everyone that sees it in my den comments about how beautiful it is.

The former SMAs of the Army have all discussed the gift with me and we all agree that it is a wonderful gift.

Hope I have the opportunity to meet you someday. I will always cherish this gift and I think it is great of you to give it to me.

Sincerely,

William A. Connelly
