Dear Frank,

I received the trophy case displaying my military awards. Your timing was perfect! My wife and I were celebrating our 50th wedding anniversary with our four children and ten grandchildren when your beautiful work of art arrived.

I can appreciate your time and effort plus a dedication to the military to undertake such a monumental task. The Trophy Case is now hanging in a place of honor in the Dunaway den.

I am enclosing a picture of me when I was the Sergeant Major of the Army and a check to have dinner with my compliments.

Sincerely,

GEORGE W. DUNAWAY
