Dear Mr. DeAngelis:

I would like to thank you for the stunning shadow box you dedicated during the Band of Brothers Forum at The Army and Navy Club. The box will find a new home amongst other fine and prestigious pieces of artwork that hang on our Club's walls. Your generosity in offering the piece to the Club is very much appreciated.

It was also a pleasure to host your for the weekend. As "Godfather" to the men of Easy Company, the event would not have been the same without your attendance.

We have received very enthusiastic responses from our Club members who joined us that night. The event was an excellent remembrance by the veterans of their experiences as members of Easy Company, 506th P.I.R., 101st Airborne Division.

For all of us who were present, the Band of Brothers forum will be a night to remember. And that, in a great part, was due to your contributions.

Again, thank you so much for the shadow box and being a part of the great event at The Army and Navy Club. You have the Club's profound gratitude.

Warm Regards,
